A Highland Welcome Awaits You

from

Margaret, Lewis and Family

*Here at DUNROAMIN
we never forget this is your holiday
and we do everything we can
to help you make the best of it*

Fishing is the greatest past-time in the Highlands, with so many rivers and lochs. Loch Shin is 21 miles long and with so many hill lochs including Craggie, Dola and Beannich, who can possibly fail to catch at least one of our beautiful Trout.

Golf is also famous in the Highlands, and the nearest Club is just 8 miles away.

There is so much beautiful countryside to explore, why not take your time by bicycle, or even don those boots and go walking.

Lew, Margaret and family welcome you to DUNROAMIN. We are a small family park situated at the top of the picturesque village of Lairg, only 300 yards from Loch shin, where the tranquillity is a powerful antidote to relieve the pressures which are a great part of todays way of life. The Park is open from 1 April until the end of October.

Lairg is the ideal central point for touring the whole of Sutherland, Caithness and Ross-shire. This area is filled with the most wondrous scenery, wild and rugged mountains as well as lush green river valleys.

This friendly village boasts a very impressive Interpretive and Tourist Information Centre - Ferrycroft Visitor Centre - where you can improve your knowledge of Salmon, the Hydro system and the Flora and Fauna in the Highlands. You can also keep in touch with family and friends by e-mail or download your photos.

The Park is situated in the centre of the village, just 200 metres from the Shops, Bank, Post Office and Pubs.

It offers facilities for Tents, Touring Caravans and Motor Homes as well as renting our own Holiday Homes.

All visitors are requested to call at the Reception Office, where they can also collect further information about the area and have a look around the small shop.

There is always help at hand as Margaret and Lew live on the Park.

We have the Crofters Licensed Restaurant on site which caters for all tastes, whether you wish a snack, full meal or something to take away. It is also open for Breakfast each day.

Full Laundry facilities for hand or automatic washing are available each day.

Hot showers and Hairdriers are situated in the Toilet Block.

Electric hook-ups and Waste disposal points for water, chemical toilets and domestic rubbish are on the Park.

Cycle Hire is available by the half-day, day or week.

Around this area you can experience the spectacular views of the Hills, Lochs and Moorlands.

The spectacular Shin Fall Salmon Leap is just 6 miles away, while the famous Dunrobin Castle in the small town of Golspie is 18 miles distant.

If golden beaches are your choice, then you have just 15 miles to travel, but if you want to see the countryside, John O'Groats is just 2 hours drive, while Durness and the beautiful white sands of the North-west is less than 3 hours away.

Ullapool and Inverness are both approximately 1 hour from Lairg and are worth visiting whether for the beauty of the area or for shopping for your family gifts.
